Housing Allowances

1. We have discussed housing and utilities allowances with a representative of the Office of Logistics and concluded you have exactly the same authority [] grant such allowances within the limits of authorized norms. This includes payment of the utilities allowance only and payment of allowances to military and civilian personnel assigned to [] Individual cases may be handled differently, depending on the circumstances.

2. In our opinion employees who were resident in the area before [] who have moved to the area primarily for personal reasons and whose employment by us is secondary albeit helpful are not entitled to allowances.

3. The Office of Logistics' representative suggests that you seek advice and guidance from [] Budget Officers [] which will serve to establish and maintain equal treatment for all employees in the area. We particularly suggest coordinating cases similar to those mentioned in paragraph 2 above.
